## What is KAN ?

**Mission Statement:** Networking Together to Expand the Kingdom of God.

**Vision Statement:** "A global network of apostolic leaders and ministries connected through relationships; a sharing of resources, gifts, and strategies amongst this group of leaders; a system of credibility and integrity established throughout the world."

**Structure:** *KAN* is a horizontal apostolic network. Founder/CEO Apostle/Bishop George W Jobe, 1<sup>st</sup> Vice President Tom Laseter, Dominick Antonino, Ricardo Miller and Isaiah Reed serve as Executive Board of Governors. *KAN* is supported by the original Executive Board of Governors and a Global Board of Governor from each Global Regions. *KAN* members must have their own recognized primary spiritual accountability structure.

### **Kingdom Apostolic Network Goals (Relationship to Pastor's & Churches)**

**A. Pastors:** Every pastor or ministry leader needs a mentor and a spiritual covering. KAN seeks to provide this spiritual covering by giving protection, identity, and support. KAN seeks to minister to pastors to see each one enabled, empowered, and released in the purposes of God. KAN will assist him in serving, ministering and encouraging credibility.

**B. Churches:** Each local church remains autonomous in its government; we believe that there is strength in unity. Together we can be more effective than by working alone. We therefore cooperate together by doctoral interpretations, sharing resources and gifting.

**Membership:** Nomination for new members come one of two ways (1) from a current member who knows the nominee and would recommend them for membership or (2) from an application and interview process. We feel that it is extremely important to establish and maintain the highest level of integrity among ministers in *KAN*. All prospective members of *KAN* must read and agree with the Prospectus.
